3) On a separate, but parallel vote, the committee voted to add the following note as well to the Honors Proposal Program Worksheet

“* Please consult Florida Atlantic University’s Honors Curriculum Manual as the authoritative source for the guidelines for Honors the-Majors Program requirements. The Manual can be found at <http://fau.edu/honorsinthemajor/>

UUPC).

5) The following Honors Thesis new course proposals were approved on condition that the LLCL department add (to the proposed syllabus) a 7

th objective (“complete the thesis”) and that “the student must receive a grade of B+ or better to obtain the Honors designation.” The four proposals were sent back to LLCL and if the additions are, they should be forwarded to the UUPC: FRW 4972; ITW 4972; LIN 4972; SPW 4972

6) Recognition items for students completing honors in the Major program. The committee discussed various items. Dr. Zilouchian will send us the certificate students in the Innovation Leadership Program receive; Dr. Dawson Scully will send us a photo of the cord those in Biological Sciences receive.

7) Discussion on how to get the necessary reports of the various aspects of the Honors in the Major programs. The Coordinator:
